

8807 Consolidated Drive, Soddy Daisy TN 37379  
423-619-1194, 423-667-6542

### **Mission Statement**

Gen7 is a Native American owned National Architecture and Engineering firm striving to partner with purpose and intention alongside our clients. We are working to support and build a widespread wireless infrastructure available to all. Delivering our services and our customer service, all while remembering and putting first the (7) seven founding principles of Gen7, Truth, Honesty, Humility, Wisdom, Love Respect and Bravery.

Gen7 has the most dedicated and seasoned professional Engineers and Project Managers in the TeleCom Industry providing superior service to our customers in this dynamic market.
